About Us

Koffeology is a family-owned coffee catering company that provides a deluxe espresso bar experience for all events.

Koffeology has been in business for over five years, and we are proud to say our passion is in creating a unique experience with coffee. We use small-batch roasted coffee directly from our farm, Finca Las Mercedes, in Colombia, to provide the freshest taste in our coffee drinks. We specialize in events like baby showers, birthdays, weddings, corporate events, school events, and much more!

We are here to serve you; make sure to book us in advance to reserve your spot and not miss out on all we have to offer!
